ABOUT

I am a software engineer with a B.A. in mathematics from Tufts University seeking a full-time position.

EDUCATION

Tufts University, B.A. in Mathematics Fall 2019 - Spring 2022
Coursework in Mathematics, Computer Science, and Classical Studies.

Ithaca College Fall 2017 - Spring 2019
Coursework in Mathematics and Biology.

EXPERIENCE

Rare Book Dealer June 2023 to Present
TomorrowsTomes *Concord, MA*

- Sell rare books online via [eBay](#), [Etsy](#), and [Abebooks](#). TomorrowsTomes specializes in fine bindings, antiquarian rare books, and deluxe collectible editions.
- Grew project from a hobby book collection to a small business generating a five figure yearly revenue.

Mathematics Tutor August 2023 to September 2025
Paper *Concord, MA (Remote)*

- Using Paper's online learning platform, tutored students in mathematics from grade 3 to the college level, on calculus, algebra, geometry, probability, and statistics.

Web Development Intern Summer 2018
BI Studio (Now [Firedog](#)) *Concord, MA*

- Built the websites westconcordcoalition.org (inactive) and brianhonan.org (inactive) using WordPress.
- Upgraded bartlettinteractive.com (a Drupal site) by adding new calls to action, expanded site glossary to improve SEO, automated web analytics reports, and performed site crawls using Moz to enhance SEO.
